### First Exclusive Ballroom Dance Show from Estonia

### *“I Wanna Dance With Somebody”*

*“I Wanna Dance With Somebody”* offers a unique opportunity to experience an electrifying performance inspired by the passion and energy of Latin American ballroom dance. This captivating show features a dynamic blend of choreography and diverse dance styles, including Samba, Cha Cha Cha, Rumba, Paso Doble, Jive, Salsa, as well as the Waltz and Tango - all with surprising twists and additional styles.

In this 45-minute program, six professional competition dancers take the stage, showcasing performances created by internationally acclaimed choreographers Valeria Milova and Vitali Kozmin. Their experience spans prestigious theater and television productions, including the Broadway show *Burn The Floor, Dancing With The Stars* in both Ireland and Turkey, performances in London's West End, and dance productions with Royal Caribbean International.

What makes this show truly special is its music, which is crafted in collaboration with world-class musicians. *James Werts World Project* is a groundbreaking partnership between the brilliant U.S.-based singer/bass guitarist James Werts and top Estonian musicians. The soulful vocals in the songs are brought to life by **ALIKA**, Estonia's beloved singer and winner of *The Voice Estonia*, who also represented the country at the Eurovision Song Contest in 2023.
